

ILLUSIONS OF ADULTING

by Sara Zimmerman

Hailey, are you
going to open it
yet or just stare
at it all day?

Oh...right...
open it!

Earrings?
Oh... thanks.

These earrings are a special family heirloom handed down from my great-great-grandmother. They are very important to my family and I wanted you to have them for Valentine's Day.

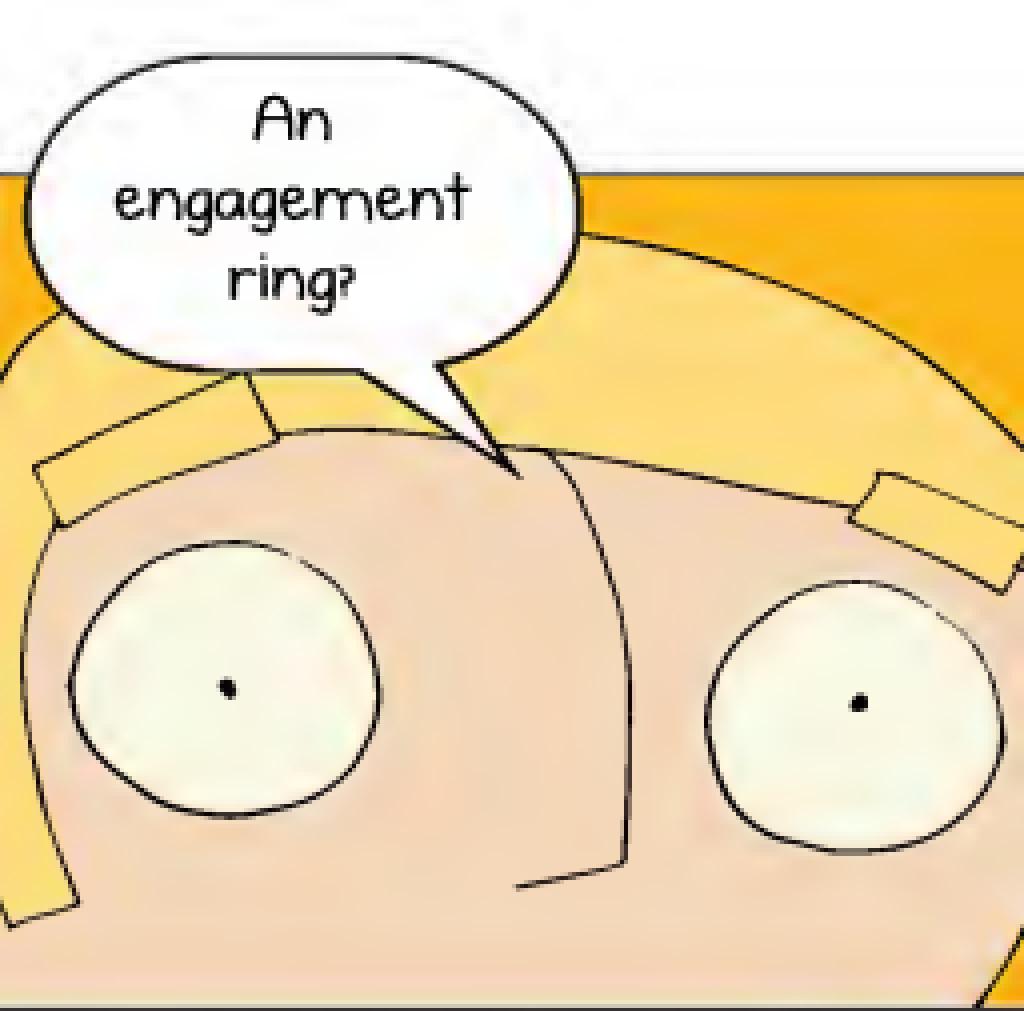

I hope you
like them.

That was sweet of
you. I love them.

They're way
better than an
engagement ring.

An
engagement
ring?
